ECO EXPLORER DAY CAMP EXPERIENCE

Do you have a child or grandchild craving some adventure this summer? Ranger-led day camps will introduce campers to wildlife and habitats found at Necedah NWR. Camp is full of fun activities from fishing, to hiking, to photography and more! Day camp is free, but registration is required. Campers will be divided into upper and lower elementary groups during the week as they observe, explore, capture, and create memories at Necedah NWR.

**Join refuge rangers for fun, exploration, and
outdoor adventure!**

OBSERVE

Campers will be introduced to a variety of tools biologist use to observe and study critters found on the refuge!

EXPLORE

Each day campers will explore the wonders of the refuge through hands-on experiences in nature. Whether through the optics of binoculars or from the end of a fishing rod, campers are sure to discover the diverse critters that call the refuge home.

CREATE

Campers will have access to cameras during the week to capture their favorite memories. Each day campers will record their discoveries in nature journals to share with family & friends!

CAMPERS WILL NEED:

- Walking Shoes
- Bug Spray
- Sunscreen
- Hat with brim
- Water Bottle
- Lunch
- Backpack
- Rain Jacket
